Petition Under 37 C.F.R. § 1.78(a)

Applicants hereby petition the Commissioner for Patents under 37 C.F.R. § 1.78(a) to accept their unintentionally delayed benefit claim under 35 U.S.C. 120 for the benefit of PCT International Patent Application Number PCT/US2004/010837 filed 08 April 2004, and benefit claim under 35 U.S.C. 119(e) from U.S. Provisional Patent Application Number 60/461,642, filed 09 April 2003. The PCT International application is intermediate between the U.S. Provisional and instant applications. The entire delay between the date the claim was due under 37 C.F.R. § 1.78(a) and the date the claim has been filed was unintentional.

Remarks

The pending nonprovisional application is a §371 application from PCT International Patent Application Number PCT/US2004/010837 filed 08 April 2004, which claimed benefit from U.S. Provisional Patent Application Number 60/461,642, filed 09 April 2003. The instant nonprovisional application may not have contained and may not have been amended to contain a reference to the prior filed applications within the later of four months from the date on which the national stage commenced under 35 U.S.C. § 371(b) or (f) or sixteen months from the filing date of the prior-filed provisional application.

As required by 37 C.F.R. § 1.78(a) the aforementioned petition for the priority claim is accompanied by:

- (i) The references required by 35 U.S.C. 119(e) and 120, which references are contained in a separate paper (“Amendment and Reply”) submitted concurrently herewith;
- (ii) The surcharge set forth in 37 C.F.R. § 1.17(t); and
- (iii) A statement (previous page) that the entire delay between the date the claim was due and the date the claim has been filed was unintentional.

Dated: March 12, 2010

Respectfully submitted,
